AYER'S HAIR VICOR. For Restoring to Grey Hair Its Natural Vitality and Color.

> A dressing which 1s at once sgreeable healty and effectual for preserving the hair. R soon restores faded or gray hair to its ariginal color, with the gloss and freshness of youth. Thin hair is thickened, fallen hair checked and baidness curred by its use. A dressing which is at

often though not always, cured by its use. Nothing can restore the hair where the folliles are destroyed, or the glands atroph-ied and decayed, but such as remain can foililes are destroyed, or the giands alrophied and decayed, but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or failing off, and consequently prevent baidness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and effensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy justre, and a grateful perfume.
